Description of Painting Locations:

Longstreet Farm is an historic working farm with a variety of crops and farm animals. There are field, fruit trees, and a mini-arboretum in addition to various farm buildings. There is a beautiful pond to the right of the Farm, with walking trails. Officially the Farm opens at 10:00 a.m., but occasionally the building is open as early as 9 a.m. and there is plenty to paint even if the farm buildings are not yet open.
