**Parking:**

Park at the Gazebo next to Ye Cottage Inn at 147 West Front St, Keyport. The Gazebo is the *only* permitted public parking in this area. There is some public parking on Beers St.

**Description of Painting Locations:**

- You can set up on the pier and look over to Pedersen's Marina. The PAPJC has permission to paint in Pedersen Marina but you may not park there. Be prepared to move your setup if a boat is to be put into the Bay.
- Across the road on the corner of Main St. and Beers Street is an open corner lot to paint the inlet and marsh. Quite lovely.
- The drive along the waterfront further behind the town takes you to other little marshes and a boat ramp.
