

## Weekly Outings

### Manasquan River Golf Club

**Note:** This site supports the theme for the River Views Exhibit and Gala in 2012, which will be how people spent their leisure time/days off. The Riverview Medical Center Auxiliary in conjunction with the PAPJC requested and received approval for the PAPJC to paint on the golf course.

**Upon arriving at the Golf Club, all participants must report to Jacqui Curtin in the Administrative office where a Hold Harmless waiver must be signed by each painter prior to embarking onto the golf course.**

The Club office will not open until 8:30 a.m. for the signing of the waivers, so you should arrive no earlier. Depart between 1:00-2:00 p.m. on both days. As always please leave your painting site in the same condition as when you arrived.
