### Winter in Monmouth Beach

November 26, 2014 through December 12, 2014

Last winter brought an abundance of snow to Monmouth Beach, blanketing us in a winter wonderland. We are asking, our local artists to participate, all media from photography, oils, and watercolors, etc. are welcome.

If you have an older picture of a winter in Monmouth Beach that has not been shown previously at the Cultural Center we would love to have it in our show.

We are also looking for original ornaments depicting MB, which will be displayed during the Holiday season. Let's be creative and have a wonderful show. Your art work will be on display for the holiday trim the tree party.

Works will need to be submitted to the Cultural Center no later than November 23, 24 and 25<sup>th</sup> from 4-6 pm.
